EXPERIENCE

Falck NC, Sacramento, CA — *Emergency Medical Technician/FTO*

November 2019-May 2020

Utilized BLS skills as outlined under county protocol to conduct treatment and transport of patients utilizing the company ambulance service. Wrote up Patient Care Reports after every treatment of patients and submitted them in a timely manner. Evaluated new employees on company policies and BLS skills in the field.

AMR Stanislaus, Modesto, CA — EMT

October 2020-January 2021

Responded to emergency 911 calls as part of an ALS paramedic unit. Treated patients for traumatic injuries and medical emergencies in the field as outlined in the Mountain Valley EMS protocols. Assisted the paramedic with ALS procedures including 4 and 12 lead EKGs, setting up cardiac monitors and taking accurate vitals.

Norcal Ambulance, Lodi, CA — Lead Field Training Officer

February 1st 2021-September 25th 2023

Operated type 1 and 2 ambulances to transport patients to and from emergency rooms, appointments, and residences in San Joaquin and Stanislaus counties. Submitted patient care reports in a timely manner along with all required documentation.
